- 6kg R134a refrigerant, AC safety gloves, safety goggles & 5x paper rolls
- Two oversized wheels filled with anti-puncture foam
- Front solid metal bar to increase stability
- Scale locking system avoids possible de-calibration problems due to sudden jolts on uneven ground
- 10kg recovery tank for everyday jobs
- Weight: 75kg

Quality

- Airtight oil bottles
- Fully automatic service management
- Scale locking/unlocking device
- Refrigerant weight accuracy check

Dedicated App

- Follow the progress of the service / charging remotely
- Faults notification and solutions in real time
- View and manage the performed maintenance services easily, even when the station is turned off.

Ease of Use

- Minimal steps and 'Smart' selection by model
- After sales assistance

Reporting

- Many connection modes available through WiFi, Bluetooth, USB and thermal printer paper reporting

1 year warranty and service support is now provided directly by the manufacturer – Texa UK
