Plastic Grease Buckets (12.5KG)

Vapormatic will now be supplying 12.5kg buckets of grease in a tough plastic bucket rather than the traditional steel bucket. The new containers are manufactured from very tough food grade polypropylene which resists damage and denting during transportation which is one of the main advantages over traditional steel buckets. Dimensionally the bucket is equal in size to the previous steel bucket. The Vapormatic grease bucket pump (VLB1063) fits these newly designed containers.

These buckets are made from plastic which is accepted in most curbside recycling collections. Please consider the environment and recycle where possible.

Please note: The plastic grease buckets will only be stocked at Vapormatic Exeter. Should a 12.5kg of grease be included as part of a lubricant order Exol will ship a steel bucket.

Product Name	Product Number	Product Description
Extreme Pressure Grease VLB1034		Multipurpose EP2 grease 12.5kg. Contains EP additives for bearings under heavy loads and high pressures and temperatures.
Lithium Long Life High Temperature Grease VLB1036		Medium quality, red lithium, EP2 long life grease for use in high temperature, (up to 150 degrees C), high load bearing applications.
Semi Fluid Grease VLB1083		A semi fluid lithium soap thickened grease recommended for use in auto lube systems and certain enclosed gearboxes. The grease is easily pumped over long distances, even at low temperatures. Semi Fluid EP00 grease contains oil soluble EP additives to provide protection against seizure under highly loaded service conditions. The grease also contains additives to inhibit oxidation and rust.
Grease Bucket Pump VLB1063		Greasing system for popular bulk 12.5kg kegs. Pressed steel lid with rubber edged follower plate to reduce grease vortexing and cavitation in the containers. Aluminium pump with carry handle, high pressure flexi hose and a 4 jaw coupler <ul style="list-style-type: none"> • Delivery - 250ml stroke • 1/8" BSP fittings • 1.5m flexi delivery hose

All Vapormatic quality replacement parts carry an industry leading **12 month parts and labour warranty**. For further information on specific items please visit: www.vapormatic.com
