NEW Genius Spanner Sets & Tools Extension

Vapormatic has extended its high quality Genius hand tools range with the introduction of 18 new combination spanners and 3 new spanner sets. The new line-up is completed with a flex head ratchet, a star screwdriver set and two handy, pocket-sized hex and star key sets. All spanner and screwdriver sets are supplied in heavy-duty blow-moulded storage cases. For more information please see below.

Combination Spanners

Matt finish. 15° open jaw angle with 15° offset ring end (12pt). Heat treated for maximum strength. Manufactured from chrome vanadium steel for excellent wear and fatigue resistance.

| Combination Spanner – qty 1 | 22mm | VLA1687 | 7/8" | VLA1696 |
| Combination Spanner – qty 1 | 24mm | VLA1688 | 15/16" | VLA1697 |

[VLA1698](#) Folding star key set

9 piece, folding star key set. Precisely-sized, chamfered ends insert smoothly into fastener head, reducing wear. High visibility size markings for fast size selection. Housing conveniently stores star keys and helps prevents lost keys.

- Star key size – T8, 9, 10, 15, 20, 25, 27, 30 & 40

[VLA1699](#) Metric folding wobble hex key set

9 piece, metric folding wobble hex key set. Precisely-sized, chamfered ends insert smoothly into fastener head, reducing wear. Ball hex ends allow up to a 25-degree entry angle to reach around obstructions. High visibility size markings for fast size selection. Housing conveniently stores hex keys and helps prevents lost keys.

- Key size – 1.5, 2, 2.5, 3, 4, 5, 6, 8 & 10mm
